

# Dean's Report

Faculty Board Meeting  
March 6, 2014

## Faculty of Health Sciences Education Leadership

Dr. Leslie Flynn formally  
appointed Vice-Dean  
Education

Now a Faculty-wide role

# Our programs are (really) popular

**School of Nursing**  
**940** applications for  
99 seats  
in the 4-year B.Nursing

**School of Medicine**  
**4,400** applications for  
100 seats in MD program

**School of Rehabilitation  
Therapy**  
**1589** applications for  
165 seats in PT/OT  
programs

**A fantastic result!**

## **Student side**

All but 1 student  
matched in 1<sup>st</sup> iteration!

## **Resident side**

133 spots available

Only 6 going to 2<sup>nd</sup>  
iteration, less than half  
the number from the past  
5 years!

# New education programs/partnerships are a great success

- QuARMS
- MD/PhD
- MSc/HQ
- CIP
- Lakeridge (LHEARN)

## Many new programs In development

Queen's-certified mental health training program  
with Morneau Shepell

and School of Rehabilitation Therapy

# FHS: the research 'powerhouse' for Queen's

The Faculty of Health Sciences (FHS) generates *more than half* of Queen's total research revenue

<sup>1</sup> Source: 2012-13 Financial Statements. Queen's University, April 30 2013

## A few research highlights...

Heather Stuart, Shu-Ping Chen (Public Health Sciences) and Terry Krupa (School of Rehabilitation Therapy) - \$1.7 million from Movember Canada to lead a national study to address student mental health issues on campus

School of Nursing is leading province-wide \$5.8 million initiative to redesign upper year clinical courses and develop new clinical simulations.

**International**  
**MS Falls Prevention**  
**Research Network**

Dr. Jacob Sosnoff—U. of Illinois, Urbana-Champaign  
Dr. Susan Coote—U. of Limerick, Ireland  
Dr. Hilary Gunn—U. of Plymouth, UK  
Dr. Patricia Matsuda— U. of Washington, Seattle  
Dr. Davide Cattaneo— Don Gnocchi Centre, Milan, Italy  
Dr. Johanna Jonsdottir—Don Gnocchi Centre, Milan, Italy

1st international meeting held  
held this week at Queen's  
hosted by Marcia Finlayson

Challenge Study - NCIC Clinical  
Trials led by Chris Booth  
(Oncology)

First study to test if exercise can  
improve the survival rate of  
colon cancer patients.  
46 cancer centres in Canada and  
Australia, expanding to the  
United States and Israel.

## Industry Outreach

Increased Queen's profile at the C-suite level in the pharmaceutical and medical device sector

Meetings with more than 40 senior executives from two dozen companies

Next stage - dialogue with industry representatives responsible for sales, sales management, service, medical affairs, clinical trials and government affairs

Queen's medical students led the successful bid to host the Canadian Federation of Medical Students 2014 national conference

Reminder - Canadian Medical Hall of Fame Induction Ceremony in Kingston this April 24<sup>th</sup>

Thank you to the departments who have already bought tables

# INITIATIVE CAMPAIGN

## Campaign progress

(as of February 28, 2014)

Faculty of Health Sciences:

Goal to be raised by 2016: **\$50,000,000**

Total donated: **\$38,200,000, 76% of goal**

Queen's total:

**\$500 Million Initiative Campaign**

Total Donated:

**\$398 Million, 79% of goal**

It has been a terrific year

Thank you for all of your hard work

Three Schools are working together  
better than ever

We are making progress in this Faculty

We have a lot to be proud of
