

PROPOSED CLERKSHIP SCHEDULE

GENERAL SCHEDULING

1. The Clerkship will run January 2007 to April 2008.
2. Each student will complete 8 core blocks (described below) as well as 14 weeks of elective rotation.
3. Twelve weeks of elective time will be scheduled from mid February to mid May 2007. An additional 2 weeks of elective time will be scheduled between January to mid February of 2008.
4. The period between January to mid February 2008 will include time for CaRMS interviews as well a minimum of 2 weeks elective time. During this elective time, the student will be expected to complete a minimum of 10 working days, which may involve clinical, basic science, or research activity. This elected time may be disintiguous in order to accommodate CaRMS interviews. Nonetheless, the student must identify an acceptable supervisor (who is a member of faculty or CCFP qualified generalist).
5. The student will submit one completed ITER for each elective rotation.
6. The LCME Review Week will take place after the last week of the interview/elective period, scheduled for approximately February 4 to February 10th, 2008.
- 6 There will be 4 weeks of holiday (including 2 weeks in the summer 2007 and 2 weeks at Christmas 2007).

CORE BLOCKS

1. Core Blocks will be identified by numbers 1 through 8. Blocks 1 through 6 will be 6 weeks in length, while Blocks 7 through 8 inclusive will be 5 weeks in length.
2. Core blocks are to be defined as follows:
 1. Internal Medicine – core (1 service)
 2. Internal Medicine – specialty (choice of 2 services)
 3. Surgery – core (2 services)

4. Peri-Operative/Acute Care – (1 surgical service, 2 weeks anesthesia, 7 to 9 ER shifts – some of which may take place during the surgery weeks)
5. Pediatrics
6. Psychiatry
7. Family Medicine (done at a regional location arranged by the student via ERMEP, Ro, or one of the other regional networks)
8. Obstetrics/Gynecology

ELECTIVES

1. Clinical Clerks must submit their Elective Approval Form electronically at least 4 to 6 weeks in advance of their intended elective time. Students must receive confirmation prior to commencing their elective.
2. Clinical Clerks are responsible for completion of the Queen's Evaluation Form by their elective supervisor at the end of the elective period.
3. Only one student evaluation form is to be completed by the faculty supervisor per elective.
4. It is the student's responsibility to ensure that their preceptor submits the evaluation form within 2 weeks of the end of the elective to the Undergraduate Medical Education Office.
5. The evaluation must be submitted to receive credit for the elective.
