

Health Services and Policy Research Institute

HSPRI ROUNDS
Tuesday, October 19 @ 12:00 PM
via ZOOM

Featuring:

Dr. Jeff Kwong, MD, MSc, CCFP, FRCPC

Program Leader, Populations and Public Health Research Program, ICES; Scientist, Public Health Ontario; Family Physician, Toronto Western Family Health Team; Interim Director, Centre for Vaccine Preventable Diseases, University of Toronto; Professor, Department of Family & Community Medicine and Dalla Lana School of Public Health, University of Toronto

COVID-19 vaccine research using linked databases

Dr. Kwong is an epidemiologist, a specialist in public health and preventive medicine, and a practicing academic family physician. His interests are in infectious diseases, particularly influenza and other vaccine-preventable diseases. Dr. Kwong's research lies at the interface between primary care and public health.
