### DR. DUNCAN G. SINCLAIR LECTURESHIP IN HEALTH SERVICES AND POLICY RESEARCH

In recognition of Dr. Sinclair's contributions to the Medical Research Council of Canada, the Dr. Duncan G. Sinclair Lectureship in Health Services and Policy Research was established at Queen's University in 1997 by MRC President Dr. Henry Friesen.

Acknowledging the importance of this realm of health research in Canada, Duncan and Leona Sinclair assured the longevity of the Lectureship by a generous supplement to the capital fund in 2001.

#### **Rick Glazier, MD, MPH**

Scientific Director, CIHR-IHSPR  
Senior Core Scientist, ICES  
Family Physician

Dr. Glazier is the author of more than 260 publications in peer-reviewed journals and has been named one of the top 20 pioneers in family medicine research by the College of Family Physicians of Canada.
