Attend a Faculty Development Event

❖ You can find the event schedules on our website: http://bit.ly/2qfSzpE

❖ Or email us for a list of events near you!

Contact the **Program Director or CBME Lead** of your training program for:

- Information about how CBME will be implemented in your specialty
- What will change in the assessment of your residents
- How you will be impacted
- How Queen's can support you in the transition

Have Questions?
We can help!

cbme@queensu.ca

Competency Based Medical Education
What can you do now to be ready?

Read the Literature

❖ Read the faculty pamphlet for an introduction to CBME at Queen's and why we are making this change now. If you would like a copy and don't have one, email us!

Visit the CBME at Queen's website

https://meds.queensu.ca/education/postgraduate/cbme

Activate Your Queen's NetID

Your NetID is your *network identity* to Queen's IT services and new electronic assessment system

❖ Contact your University Department to request your employee StaffID (Don't know your department contact? Email us!)
❖ Activate your NetID by going to the Profile manager
❖ If you forget your NetID or password select the corresponding link

Change your password and manage your account

Login to manage your account

Other options

Activate your account

Forgot your NetID

Forgot your password
- Step 1: Start password reset
- Step 2: Complete password reset

https://netid.queensu.ca/selfservice/

Get Your MedTech Central Login

❖ You can check out the module on how to do that
❖ Or email healthsci.support@queensu.ca for assistance
