

Queen's Health Sciences Belonging Project

What is the aim of our study?

We want to collect stories where individuals have felt like they have or have not belonged and understand the role of social identities and community resources in fostering belonging.

Who can participate?

- ✓ Queen's Health Sciences students, staff, and faculty
- ✓ Community members who have accessed a health service in Kingston

Scan the QR code
to take the survey

What will we do with our findings?

- ✓ Develop case studies for Health Sciences learners to make health care delivery more compassionate
- ✓ Create a more inclusive Queen's and Kingston community
